Docket HWCA 2009-2208

ENFORCEMENT ORDER

Health and Safety Code  
Section 25187

INTRODUCTION

1.1. Parties. The State Department of Toxic Substances Control (Department) issues this Enforcement Order (Order) to Exide Technologies (Respondent).

1.2. Site. Respondent generates, handles, treats, and stores hazardous waste at the following site: 2700 South Indiana Street, Los Angeles (Facility).

1.3. The Department authorized Respondent to manage hazardous waste pursuant to an Interim Status Document issued in 1981.

1.4. Jurisdiction. Section 25187 of the Health and Safety Code authorizes the Department to order action necessary to correct violations and assess a penalty when the Department determines that any person has violated specified provisions of the Health and Safety Code or any permit, rule, regulation, standard, or requirement issued or adopted pursuant thereto.

DETERMINATION OF VIOLATIONS

2. The Department has determined that:

2.1.1 Respondent violated Health and Safety Code section 25202, in that on or about April 29, 2009, Respondent illegally stored hazardous waste lead

contaminated sludge in an unauthorized unit, to wit: During a Compliance Evaluation Inspection (CEI) conducted at the Facility on April 29, 2009, Respondent stored lead contaminated sludge in the Storm Water Retention Pond. Subsequent to the inspection, Respondent submitted documentation that it cleans out the Pond once a year.

2.1.2 Respondent violated California Code of Regulations, title 22, section 66265.193 subdivision (c) (4) and Consent Order HWCA 97/98-3021, in that on or about April 29, 2009, Respondent failed to remove lead-contaminated sludge from the Storm Water Retention Pond within 24 hours or in as timely a manner as possible, to wit: During a CEI conducted on April 29, 2009, the Storm Water Retention Pond contained lead-contaminated sludge. Subsequent to the inspection Exide submitted documentation that they only clean out the pond once a year.

### SCHEDULE FOR COMPLIANCE

3. Based on the foregoing Determination of Violations, IT IS HEREBY ORDERED THAT:

3.1.1 Effective immediately the Respondent shall cease storing any hazardous waste in the Storm Water Retention Pond, including hazardous waste sludge without authorization from the Department.

3.1.2 Effective immediately the Respondent shall remove any hazardous waste, including hazardous waste sludge, which accumulates in the Storm Water Retention Pond within 24 hours of accumulation, or in as timely a manner as possible, to prevent harm to human health or the environment.

3.2. Submittals. All submittals from Respondent pursuant to this Order shall be sent simultaneously to:

To: Roberto Kou  
Acting Performance Manager  
Enforcement and Emergency Response Program  
Department of Toxic Substances Control  
9211 Oakdale Avenue  
Chatsworth, California 91311

To: Mukul Agarwal  
Supervising Hazardous Substances Scientist  
Enforcement and Emergency Response Program  
Department of Toxic Substances Control  
9211 Oakdale Avenue  
Chatsworth, California 91311

To: Debra Schwartz  
Senior Staff Counsel  
Office of Legal Affairs  
Department of Toxic Substances Control  
9211 Oakdale Avenue  
Chatsworth, California 91311

3.3. Communications. All approvals and decisions of the Department made regarding submittals and notifications will be communicated to Respondent in writing by the Branch Chief, Department of Toxic Substances Control, or his/her designee. No informal advice, guidance, suggestions, or comments by the Department regarding reports, plans, specifications, schedules, or any other writings by Respondent shall be construed to relieve Respondent of the obligation to obtain such formal approvals as may be required.

3.4. Department Review and Approval. If the Department determines that any report, plan, schedule, or other document submitted for approval pursuant to this Order fails to comply with the Order or fails to protect public health or safety or the environment, the Department may:

a. Modify the document as deemed necessary and approve the document as modified, or

b. Return the document to Respondent with recommended changes and a date by which Respondent must submit to the Department a revised document incorporating the recommended changes.

3.5. Compliance with Applicable Laws: Respondent shall carry out this Order in compliance with all local, State, and federal requirements, including but not limited to requirements to obtain permits and to assure worker safety.

3.6. Endangerment during Implementation: In the event that the Department determines that any circumstances or activity (whether or not pursued in compliance with this Order) are creating an imminent or substantial endangerment to the health or welfare of people on the site or in the surrounding area or to the environment, the Department may order Respondent to stop further implementation of this Order for such period of time as needed to abate the endangerment. Any deadline in this Order directly affected by a Stop Work Order under this section shall be extended for the term of the Stop Work Order.

3.7. Liability: Nothing in this Order shall constitute or be construed as a satisfaction or release from liability for any conditions or claims arising as a result of past, current, or future operations of Respondent. Notwithstanding compliance with the terms of this Order, Respondent may be required to take further actions as are necessary to protect public health or welfare or the environment.

3.8. Site Access: Access to the site shall be provided at all reasonable times to employees, contractors, and consultants of the Department, and any agency having jurisdiction. Nothing in this Order is intended to limit in any way the right of entry or inspection that any agency may otherwise have by operation of any law. The

Department and its authorized representatives shall have the authority to enter and move freely about all property at the Site at all reasonable times for purposes including but not limited to: inspecting records, operating logs, and contracts relating to the Site; reviewing the progress of Respondent in carrying out the terms of this Order; and conducting such tests as the Department may deem necessary. Respondent shall permit such persons to inspect and copy all records, documents, and other writings, including all sampling and monitoring data, in any way pertaining to work undertaken pursuant to this Order.

3.9. Data and Document Availability. Respondent shall permit the Department and its authorized representatives to inspect and copy all sampling, testing, monitoring, and other data generated by Respondent or on Respondent's behalf in any way pertaining to work undertaken pursuant to this Order. Respondent shall allow the Department and its authorized representatives to take duplicates of any samples collected by Respondent pursuant to this Order. Respondent shall maintain a central depository of the data, reports, and other documents prepared pursuant to this Order. All such data, reports, and other documents shall be preserved by Respondent for a minimum of six years after the conclusion of all activities under this Order. If the Department requests that some or all of these documents be preserved for a longer period of time, Respondent shall either comply with that request, deliver the documents to the Department, or permit the Department to copy the documents prior to destruction. Respondent shall notify the Department in writing at least six months prior to destroying any documents prepared pursuant to this Order.

3.10. Government Liabilities: The State of California shall not be liable for

injuries or damages to persons or property resulting from acts or omissions by Respondent or related parties in carrying out activities pursuant to this Order, nor shall the State of California be held as a party to any contract entered into by Respondent or its agents in carrying out activities pursuant to the Order.

3.11. Incorporation of Plans and Reports. All plans, schedules, and reports that require Department approval and are submitted by Respondent pursuant to this Order are incorporated in this Order upon approval by the Department.

3.12. Extension Request: If Respondent is unable to perform any activity or submit any document within the time required under this Order, the Respondent may, prior to expiration of the time, request an extension of time in writing. The extension request shall include a justification for the delay.

3.13. Approvals: If the Department determines that good cause exists for an extension, it will grant the request and specify in writing a new compliance schedule.

#### OTHER PROVISIONS

4.1. Additional Enforcement Actions: By issuance of this Order, the Department does not waive the right to take further enforcement actions.

4.2. Penalties for Noncompliance: Failure to comply with the terms of this Order may also subject Respondent to costs, penalties, and/or punitive damages for any costs incurred by the Department or other government agencies as a result of such failure, as provided by Health and Safety Code section 25188 and other applicable provisions of law.

4.3. Parties Bound: This Order shall apply to and be binding upon Respondent,

and its officers, directors, agents, employees, contractors, consultants, receivers, trustees, successors, and assignees, including but not limited to individuals, partners, and subsidiary and parent corporations.

4.4. Time Periods. "Days" for purposes of this Order means calendar days.

4.5. Compliance with Waste Discharge Requirements: Respondent shall comply with all applicable waste discharge requirements issued by the State Water Resources Control Board or a California Regional Water Quality Control Board.

#### PENALTY

5. Based on the foregoing DETERMINATION OF VIOLATIONS, the Department sets the amount of Respondent's penalty at \$ 103,200.00. Payment is due within 30 days from the effective date of the Order. Respondent's check shall be made payable to the Department of Toxic Substances Control, and shall identify the Respondent and Docket Number, as shown in the heading of this case. Respondent shall deliver the penalty payment to:
